Dear Friends,

The Lord, in *Deuteronomy 32*, gives us a beautiful description of what New Church education can look like. It says, ***“Jehovah led him around, He instructed him, He guarded him as the pupil of His eye. As an eagle stirs up his nest, flutters over his young, spreads abroad his wings, takes him, bears him upon his wings, so Jehovah alone led him”*** (Deut. 32:10–12). The internal sense of this passage is “instructing them in truths, guarding them from falsities, and opening the interiors of their minds so that they may come into the light of heaven” (AE 281.6).

In support of this New Church approach to education, a project to build and endow an addition to the Kempton New Church School facility is now underway. We have about \$200,000 left to raise to fully fund the construction bid accepted by the society in February, and are about half way to meeting our goal for additional endowment to cover maintenance. (*Pictured below: KNCS breaking more ground!*)

If you would like to contribute to this effort, a self-addressed return envelope is included with this letter.

Please make checks payable to the Kempton New Church with “School Expansion Fund” indicated on the memo line. You can also contribute through kncs.org by clicking on the “Expansion” tab and then on “Contribute.”

Thank you for your consideration of this precious use.

Sincerely,

The School Expansion Fund Committee
